

Dear Pn. Kitty,

Here is the summary which you have requested me to do.

My ISEP Experience

Memorable Moments

1. Kampung Stay
2. Malacca Trip
3. Sunway Lagoon
4. Exchanging stories (about Australia and Malaysia)
5. K-Kids 'Party'
6. Farewell

Challenges I Faced

1. Talking to Hayley on the first day (awkward, shy and she being homesick)
2. Getting used to looking into her eyes while talking to her (her eyes are too BLUE!)

What I Learned From The Experience

1. More about Hayley's job as School Captain at her school
2. More about Hayley herself
3. More about Australia

Conclusion

I think that ISEP should be continued for the next few years so that SKTM's and Langwarrin Primary School's students are able to tie bonds that will last forever with his/her foster sibling.

Thank you.

Khoo Ash Li, 6M.
