

## **INTERNATIONAL STUDENT EXCHANGE PROGRAMME 2010**

### **SK Taman Megah Malaysia and Langwarrin Primary School Australia**

**Low Jun Wei    Class: 6E**

We would like to thank SK Taman Megah, Pn Khoo, Datin Kam and the PIBG for giving us the opportunity to be part of the International Student Exchange Programme.

It was a pleasure hosting Jackson for two weeks. It was an enriching experience for the whole family. We noticed that Jun Wei proved to be an exemplary host. He was always very obliging and hospitable.

Jun Wei was ecstatic when he discovered that he has been selected to represent SKTM in Langwarrin, Melbourne. It was an enjoyable three weeks in Melbourne. He visited so many interesting places and learnt to interact with others.

Natalie and Chris have several times complimented Jun Wei saying that he was very well behaved and polite during his stay with them. We are very proud to hear this. The families are still in touch and we are looking forward to seeing them in October when they come to visit Malaysia.
