Firstly, my thanks to all who gave me a chance to participate in this programme.

I had a great time hosting Kate. We had plenty of fun together. I also enjoyed telling her about our culture here in Malaysia. We exchanged stories of our country and she told me some things about her school too. She said she had a great time here and couldn't wait till she could show me some things of Australia.

I had plenty of fun too. I am extremely grateful that I was chosen to experience all of this. I myself learned a lot about Malaysia too, especially about Malaysia's agriculture section. I am really thankful to Datuk Noh for giving us all those experiences,

My mother has received an email from Kate's parents. They have already planned some of the places to take me when I go to Australia. They said Kate had a great time and they want me to have a great time when I go there. I can't wait to see Kate again and to experience their culture. I'm sure I'll have a great time.

I'm really glad I could share some knowledge of Malaysia with Kate. I am definitely looking forward to going there

Many Thanks.
